AKUBRA BELT RANGE

QUALITY AUSTRALIAN MADE BELTS

This range of belts comes in a selection of colours and styles especially designed for Australians of all walks of life. Whether it's Dress belts for suits, Casual belts for jeans or belts for the person on the land. We offer a range of widths from 30mm to 38mm and sizes from 30" – 44".

Shorter or longer belts can also be made to order on request*. Only the best quality veg tanned leathers are used in making an Akubra belt. The leather is a natural product with skin marks being recognized as a natural feature of leather, which adds character to the finished product.

These are quality belts, made right here in Australia, to the same high standards as our hats because our good reputation depends on it.
