

Akubra Fitting Station

SCENARIO:

Your client wishes to give an Akubra hat to each of their guests or staff at their event.

ISSUE:

Your time & resources are limited as you must oversee the whole event – so you don't wish to be tied up organising and managing the Akubra fitting process.

SOLUTION:

Bring in the experts to co-ordinate and operate the **Akubra Fitting Station** on-site!

We bring to your client's event the **Akubra Fitting Station** - plus a collection of our finest Akubra hats, and expert staffing to individually measure and fit guests with their very own, authentic Akubra. We offer a complete solution, including:

- A pre-arranged selection of Akubra styles, colours, and sizes to suit the client's needs and guest / staff demographics.
- Optional hat branding with your client's logo – including laser-engraving and badges.
- Full delivery, fitting, and pick-up service - out-of-hours, to remote venues, Australia-wide.
- The optional **Akubra Gift Card** – sequentially numbered for easy guest redemption and tracking.
- Akubra-trained fitting staff – to professionally measure and fit hats while chatting with each guest.
- The optional **Akubra Presentation Box**, ideal gift packaging for guests' new Akubra hats.
